

Zachary Andrew Wilson

571-685-9101 | ZAWilson@posteo.com | [linkedin.com/in/zachary-wilson-4b3001350/](https://www.linkedin.com/in/zachary-wilson-4b3001350/)

Education

- Loudoun Academy of Engineering and Technology, Engineering Program May 2025
- Park View High School, Advanced Studies Diploma, summa cum laude Jun. 2025
- Rochester Institute of Technology, Mechanical Engineering: Energy and Environment Major May 2030
 - 3.97 Cumulative GPA

Work Experience

- Domino's Pizza, Delivery Expert May 2025 – Present
 - Worked on a team in a fast-paced environment, ensured punctual delivery of orders
- Glen Echo Park Aquarium, Volunteer/Part Time Education Assistant Sep. 2025 – Present
 - Explanation of exhibits to guests, ticket sales, animal care, designed website, & special projects
- DoorDash, Delivery Driver Mar. – Apr. 2025

Projects

- *Automatic Chime Machine* Jan. – Apr. 2026
 - Created a design for and built a machine that would automatically rotate and strike metal chimes to play the *Tetris* theme song using Onshape, Microsoft Excel, and Arduino IDE
 - The finished product successfully played all notes of the programmed song with the intended tempo
 - Presented at Imagine RIT 2026 Symposium
- *Evaluating the Effectiveness of a Rack and Pinion Mechanism in Generating Power Using Variable Height Road Panels* Apr. 2024 – May 2025
 - Designed and built a two-way linear to one-way rotary rack and pinion actuator to convert the weight of cars approaching stop signs into power with a depressing road panel using Autodesk Inventor
 - Successfully showed that the design was capable of power generation
 - Presented at the 2025 Academies of Loudoun Senior Symposium, received Project of Distinction Award
- *Therapeutic Forearm and Wrist Orthosis for The Treatment of Carpal Tunnel Syndrome* Mar. - Apr 2024
 - Made an orthotic device for the treatment of carpal tunnel featuring mechanisms for the application of heat and pressure to the wrist and forearm using Autodesk Inventor
 - Qualitative testing results from subjects yielded positive results for pain relief

Technical Skills & Certifications

- LinkedIn Learning Certification in Engineering Drawing for Manufacturing
- MATLAB
- Microsoft Office Suite
- Autodesk Inventor and Fusion 360
- OnShape
- Basic skills in C++ and HTML
